GAME INFORMATION

Star Joker is a 5-reel video slot game with 10 fixed paylines that brings you into a visually classic experience, merged with modern and exciting gameplay.

The game includes a Star symbol that is wild. The wild symbol substitutes for any other reel symbols except scatters to help comprise winning combinations.

Three Joker scatter symbols on the reels trigger a sequence of ten free spins. Three additional Jokers during the feature will award an additional ten free spins. The Joker symbol will become wild during the free spins feature to help comprise even more winning combinations!

The Joker symbol can only appear on reels 1, 3 and 5, both during the main game and during the free spins feature.

All winnings from Feature & Bonus game wins are added to payline wins.
